

TRUTH-IN-SAVINGS DISCLOSURE

The Truth-in-Savings Act (TIS) is a section of the Federal Deposit Insurance Corporation Improvement Act of 1991. The National Credit Union Administration is charged with enforcing this Act, which applies to all credit unions.

The purpose of TIS is to promote and simplify comparisons among accounts at all financial institutions. TIS enables consumers to make informed choices/comparisons among competing claims of financial institutions by requiring disclosure of the interest rates payable on these accounts and the fees assessable against these accounts.

It is the intent of Federal Employees of Chippewa County Credit Union to maintain compliance with this federal law pertaining to disclosure of the terms and conditions of all savings programs. The following disclosure information illustrates the various savings alternatives available to members of Federal Employees of Chippewa County Credit Union.

The Rate Schedule sets forth certain conditions, rates, fees, and charges applicable to your accounts at Federal Employees of Chippewa County Credit Union as of **November 1, 2018**. The Rate Schedule is incorporated as part of this disclosure. If you have any questions regarding any of the accounts offered at Federal Employees of Chippewa County Credit Union, please call a member service representative.

SHARE SAVINGS ACCOUNT(S)

Dividend Rate Information:

The dividend rate and annual percentage yield may change at any time, as determined by the credit union board of directors.

Compounding and Crediting:

Dividends will be compounded quarterly and will be credited to your account every quarter.

Dividend Period:

For this account type, the dividend period is quarterly, for example the beginning date of the first dividend period of the calendar year is January 1 through March 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period, and for the example above is March 31. If you close your account prior to payment of a dividend, you will not receive any accrued dividend.

Average Daily Balance Computation Method:

Dividends are calculated by the average daily balance method that applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the calendar quarter.

Minimum Balance Requirements for Share Savings Account(s):

The minimum required to open this account is \$5.00.

To obtain the annual percentage yield disclosed, you must maintain a minimum balance of \$5.00 in the account each day during the Dividend Period.

Transaction Limitations:

During any month you may not make more than six (6) withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized, automatic, Debit Card transfer, internet computer transfer, telephonic order or instruction, or similar order to a third party. If you exceed the transfer limitations herein, your account may be assessed additional fees in the Fee Schedule and/or will be subject to closure.

CHRISTMAS CLUB ACCOUNT(S)

Dividend Rate Information:

The dividend rate and annual percentage yield may change at any time, as determined by the credit union board of directors.

Compounding and Crediting:

Dividends will be compounded quarterly and will be credited to your account every quarter.

Dividend Period:

For this account type, the dividend period is quarterly, for example the beginning date of the first dividend period of the calendar year is January 1 through March 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period, and for the example above is March 31. If you close your account prior to payment of a dividend, you will not receive any accrued dividend.

Average Daily Balance Computation Method:

Dividends are calculated by the average daily balance method that applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the calendar quarter.

SPECIAL CLUB ACCOUNT(S)

Dividend Rate Information:

The dividend rate and annual percentage yield may change at any time, as determined by the credit union board of directors.

Compounding and Crediting:

Dividends will be compounded quarterly and will be credited to your account every quarter.

Dividend Period:

For this account type, the dividend period is quarterly, for example the beginning date of the first dividend period of the calendar year is January 1 through March 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period, and for the example above is March 31. If you close your account prior to payment of a dividend, you will not receive any accrued dividend.

Average Daily Balance Computation Method:

Dividends are calculated by the average daily balance method that applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the calendar quarter.

INDIVIDUAL RETIREMENT ACCOUNT (IRA)

Dividend Rate Information:

The dividend rate and annual percentage yield may change every dividend period, as determined by the credit union board of directors.

Compounding and Crediting:

Dividends will be compounded quarterly and will be credited to your account quarterly.

Dividend Period:

For this account type, the dividend period is quarterly, for example the beginning date of the first dividend period of the calendar year is January 1 through March 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period, and for the example above is March 31. If you close your account prior to payment of a dividend, you will not receive any accrued dividend.

Average Daily Balance Computation Method:

Dividends are calculated by the average daily balance method that applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the calendar quarter.

Minimum Balance Requirements for Individual Retirement Account(s):

There are no minimum balance requirements that apply to this account. There is also no minimum balance required to receive the stated APY, and no minimum balance required to avoid a service fee.

Transaction Limitations:

You may not make any withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized, automatic, Debit Card transfer, internet computer transfer, telephonic order or instruction, or similar order to a third party.

MONEY MARKET ACCOUNT(S)

Dividend Rate Information:

The dividend rate and annual percentage yield may change every dividend period, as determined by the credit union board of directors.

Compounding and Crediting:

Dividends will be compounded monthly and will be credited to your account monthly.

Dividend Period:

For this account type, the dividend period is monthly, for example the beginning date of the first dividend period of the calendar year is January 1 through January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period, and for the example above is January 31. If you close your account prior to payment of a dividend, you will not receive any accrued dividend.

Average Daily Balance Computation Method:

Dividends are calculated by the average daily balance method that applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the monthly statement cycle.

Minimum Balance Requirements for Money Market Account(s):

The minimum required to open this account is \$5,000.00. The minimum daily balance required to maintain this account and receive the disclosed interest rate is \$5,000.00. To obtain the annual percentage yield disclosed, you must maintain a minimum balance of \$5,000.00 in the account each day to obtain the disclosed annual percentage yield. If the account balance falls below \$5,000.00, the interest rate reverts to the share savings rate.

Transaction Limitations:

During any month you may not make more than three (3) withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized, automatic, Debit Card transfer, internet computer transfer, telephonic order or instruction, or similar order to a third party. If you exceed the transfer limitations herein, your account may be assessed additional fees according to our separate Fee Schedule and/or will be subject to closure.

SHARE DRAFT ACCOUNT(S)

Dividend Information:

No dividends are paid on this account.

Minimum Balance Requirements for a Share Draft Checking Account(s):

There is no minimum deposit required to open this account and no minimum balance required to maintain this account.

Transaction Limitations:

No transaction limitations apply to this account unless otherwise stated in the Common Features section of this Disclosure or in the Membership Account Terms and Conditions.

COMMON FEATURES

All accounts offered by Federal Employees of Chippewa County Credit Union share several common features. These features are:

Membership:

You must complete purchase of a \$5.00 par value share in the credit union (par value of one share is \$5.00) and be a member in good standing. If the balance in your Share Account decreases below \$5.00, the Credit Union may, at its option, apply fees according to the separate Fee Schedule or close your account.

We reserve the right to suspend services to a member who is not in good standing, which include, but are not limited to, members who: (i) are delinquent on any loan with this Credit Union; (ii) have a Share Savings balance of less than a \$5.00 minimum; (iii) have caused any financial loss to this Credit Union; (iv) have any unresolved Non-Sufficient Fund Checks outstanding, whether in regard to a deposit or otherwise; (v) have not paid the Credit Union any fees or costs owing to it; or (vi) have a negative balance in any account.

Fee for Overdrawing Accounts:

For ATM and one-time debit card transaction, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Fee Schedule and charges.

If you consent to the Credit Union's overdraft protection plan, this means you want the Credit Union to approve and pay your everyday debit card transactions, at our discretion, when you don't have enough money available (this includes available funds in your linked Overdraft Protection account, if enrolled). Fees may apply as per our separate Fee Schedule.

Nature of Dividends:

Dividends are paid from current income and available earnings, after required transfers to reserves at the end of the dividend period.

Accrual of Dividends on Noncash Deposits:

Dividends will begin to accrue on the business day you deposit noncash (e.g. checks) to your account.

Federal Deposit Insurance:

The National Credit Union Share Insurance Fund federally insures member accounts up to \$250,000.00.

Transaction Limitations:

We reserve the right to at any time require not less than seven days written notice, nor more than 60 days written notice before each withdrawal from an interest-bearing account other than a time deposit, or from any other savings account as defined by Federal Reserve Regulation D.

Fees:

Please refer to our separate Fee Schedule for additional information fees that may apply to your account.
